Newsletter

Friday 2nd February 2024

Dear Parents,

Thankyou for your patience with the amount of staff absence at the moment. I am very sorry that we had to cancel swimming but it was the best thing to do in terms of safety for the children. Thankyou for your understanding. Please also be mindful that Covid is making an appearance again. There are no specific guidelines around testing, but please be mindful as we do have some vulnerable children and adults in school.

Mrs Bonser

World Book Day - 7th March 2024

So, World Book day will be upon us before we know it! This year we have given you lots of notice as we want to try something new - each class has voted for a theme which we would like to try and keep secret until the day! That way the children will have great fun guessing the theme. We also have got a surprise visitor coming in in April who will help the children to be authors.

Lunch boxes

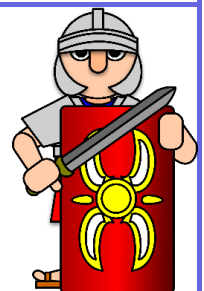

We are aware that some children are informing their parents that food is being taken from the classroom from lunchboxes. I have already spoken to the children about making sure that lunch boxes are closed properly (as some food fell out and hadn't

been taken) and that they know exactly what should be in their lunchbox. Please be assured that there is always someone in the classroom, but the children must tell us otherwise we cannot deal with the situation.

Class 3 assembly

It was so lovely to see all the parents for the Class 3 assembly - the children performed really well and they were great teachers! I hope you learnt something about the Romans and Julius Caesar as I certainly did. Well done to the children and to Mrs Nelson and Mrs Rudkin.
