

World Book Day 2024

Thursday 7th March

To promote **reading for pleasure** & 'World Book Day' this year we will be being creative in our **year groups**.

We will not be inviting you to choose your own costume this year to dress up in; however, each class will have a **creative class theme**.

If possible, we are going to try and keep this **secret** from other year groups so that on the day it is a surprise and they can guess. If you have siblings in different year groups try your best to keep this secret!

Your child **will be told** the book / author theme **from a class vote** and then their task will be to either **dress up** or **make something** eg a prop, draw something or they could **write something**.... We are looking for the most **creative class**!!!!

There will be prizes for the best **ideas**.

Your child will also **receive a £1 book** token to purchase a book

Class: _____ **PLEASE check – your child has a letter stating their theme!**

Our theme is: _____
