## Statement of intent

Langmoor is a vibrant, enthusiastic, forward thinking and safe learning environment in which children are given every opportunity to complete a fulfilling primary school education. At Langmoor, we believe that homework plays an important part in a child's education.

The benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that children have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to making homework well-balanced across the school.

This Homework Policy was developed in consultation with staff members, parents, pupils and with the full agreement of the governing body.

## Aims

Langmoor's Homework Policy aims to:

- Develop a consistent approach to homework throughout the school.
- Make sure that teaching staff, parents and pupils are aware of their responsibilities with regard to homework.
- Ensure that parents have clarity on what their child is expected to do.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning and to keep them informed about the work their child is covering.
- Use homework as a tool for raising standards of attainment.
- Improve the quality of the learning experiences by extending it beyond the classroom.
- Give pupils further practice and deeper understanding of skills, knowledge and concepts learned during the school day.

Teachers will not mark homework that is handed in late.

- 6.1. The school recognises that pupils with special educational needs and disabilities (SEND) may require that specific tasks be set in the form of Individual Education Plans.
