Dear Parents,

Welcome to the first newsletter of the Summer Term. We have had a great start to the term and look forward to all the fantastic things that we have happening. Look out for the letter about the Year 3, 4 and 5 production of 'Alice in Wonderland' in which we will let you know the performance times, dates etc.

Thank you again for all of your support.

## Parent Questionnaire

Thank you very much to all of the parents who have filled in the questionnaire online. As always it is always good to hear from you in terms of what's going well and what you feel could be improved. I will send out a letter with specific answers to questions later this term once I have met with the Senior Leadership Team. Whilst we always recognise and welcome constructive criticism, some comments were personal about the staff, myself included. I will not be answering these in a public forum and would urge that if you have any issues that you wish to discuss that you contact myself for an appointment. The parent questionnaire is not intended to be used as a way for parents to personally criticise staff- indeed it does state on the questionnaire that comments should be about the school and not staff. Please refer to our complaints policy which is on the website if you feel you have an issue that needs addressing.

Thank you, as always, for your ongoing support.

## Year 6 SATS

Next week sees the start of our Year 6 SATS - the first for 2 years. I would like to reassure you as parents, that we intend to make this as stress-free as possible for the children. Please ensure that they eat well and sleep well during this week as this will make all the difference to their concentration levels. We wish them all the best, but please remember, your children are more than a SATS result - we have a talented bunch in Year 6 and I cannot wait for the ceremony this year!

## Kids Club

This week I met with the School Council to see how we could improve our Kids Club offer, and specifically what children would like to do whilst they are there. We are still trying to encourage as many people to use it as possible, otherwise there is a possibility it could close. Look out for the new leaflet, and see the new page on the website as well. There will also be a competition to design a new logo and give it a new name - look out for these on Monday!
