Dear Parents,

Welcome to 2024! It has been such a calm start to the New Year and the children have been working very hard already. It is a very short half-term and we have an awful lot to pack in!

The internal doors have now been fully updated & modernised. Along with our new corridor flooring & wall art last year, I'm pleased to say the school is looking very smart.

Mrs Bonser

Mrs Rudkin and Mrs Ali

We have some good news to share, Mrs Rudkin is going to have another baby! She will be going on maternity leave at the end of this term. You may have also noticed that Mrs Ali has returned part time, after her maternity leave. She will be working with groups doing interventions for this term, and then in the Summer term she will be job sharing with Mrs Nelson, to cover Mrs Rudkin's maternity leave.

Snack Time

We are noticing that more and more children are bringing in cereal bars and other things for snack time, or children are taking yoghurts (etc.) out of their packed lunches. Can we please keep snack time to fruit, raisins or chopped veg (carrots, cucumber, peppers etc.). This promotes healthy eating and limits any exposure to seeds or other allergens.

Thank you.

Lateness

Children arriving late in the morning and being collected late at home-time is becoming a frequent occurrence.

Children should be at school at 8:40am - this is to allow children to come in calmly, put bags away & to be ready for learning.

Lessons start at 8.45am, so all children should be in class by that time.

A few minutes late each day quickly adds up to a lot of missed learning!

I would also like to remind parents that **children should also be collected promptly at 3.15pm please**. It can be stressful for the children when they are left waiting at school, and for the staff who have meetings (etc.). We are aware that occasionally delays can be unavoidable, but please call the school office if you are going to be late. This reassures your child as well as gives us information.

Thank you for your support in this matter.
